(FOR KEY SEE REVERSE)

25X1

1. As of early October 1955, the Brass Department at VEB Walzwerk fuer Buntmetall, Hettstedt, was back in operation.¹ Renewal of production was made possible by deliveries of zinc which were made through the port of Wismar.

25X1

2. When the Brass Department finishes the backlog of 1955 orders, which are still on hand, it will be faced with the difficulty that only a few orders for 1956 have been placed.
